

CKES School Council:

What We Heard from the Fall 2024 Parent Survey

All parents/guardians are welcome to our council meetings if they would like to discuss the survey or any other aspect of CKES. Our council meetings are on the first Monday of each month, in the CKES library, beginning at 7:00pm. Please email ckescouncil@gmail.com to let us know if you are attending.

A total of 101 parents responded to our parent survey.

Here are a few highlights:

Areas of Strength

96% of parents feel that their child is treated fairly

95% of our parents have talked with a teacher

92% of parents have attended meetings

81% of parents feel that their child feels included

80% of our parents feel welcome at CKES

79% of our parents believe the school to be inclusive

An average of 77% of our students have not experienced bullying in any form at school.

Only 8 % of our parents feel that the environment, curriculum and activities at CKES are NOT distinctly Catholic.

Potential Areas of Growth

77% of parents believe that CKES supports positive behaviors

74% of our parents support learning at home

76% of parents believe that the school is safe

75% of our parents believe that teachers support learning at CKES

75% of our parents feel informed

74% of parents feel that CKES religious programming meets or exceeds their expectations.

- CKES administration is attempting to improve communication with families and to provide more opportunities for families to connect with our school.

The next page shows the responses to the open-ended questions. They are presented to you in “word cloud” format. The larger the word, the more often it appeared in the responses:
