

Dear CKES families,

As you may know, CKES has a long tradition of doing service learning projects. For our class service learning project this year, we are making and selling face mask lanyards. All money raised will be donated to Little Footprints Big Steps. We will be selling them each day next week. If you are interested in purchasing a lanyard, they are \$3.00 each. We will be coming to classrooms in the mornings or afternoons. At this point, we have limited supplies and may run out quickly but will be selling them again in the New Year.

Thank you,

Odette Burns or Sarah Aasman (2B teachers)
