20 Nisutlin Drive, Whitehorse, Y.T. Y1A 3S5

(867) 667-3527 phone

(867) 667-3666 fax

Congratulations to the grade 7 class and their families!

We've been blessed to have you part of our school community and we wish you all the best in your future endeavours.

It is time to honour and celebrate your accomplishments!

CKES has a strong tradition of marking this occasion with a **Grad Mass at Sacred Heart Cathedral.**

When: **Thursday, June 10 @ 7:00pm**

Due to Covid mitigations, each student may invite **2 family members** to this mass.

School Council will be providing ice cream in the church yard after this event. There will also be a photo station for students/ families to access.

Please see the following information regarding other Covid mitigations for the Grad Mass.

We will also be "Passing the Light" from grade 7 students to the grade 6 students on **Friday, June 11, at 2:00pm**. This ceremony will occur outside, in the school yard. All family members are welcome to attend this event.

CKES Grade 7 Grad Mass

Covid Mitigations

During the Grade 7 Grad Mass

- Each family must complete the COVID 19 screening questionnaire, found below. Please come to the church with the questionnaire completed. Additional copies will be available at the entrance for anyone who forgets.
- **Masks are required to be worn at all times while in Sacred Heart Cathedral.**
- Attendees will enter through the Main Door.
- Please do not attend the Grad Mass if you are feeling ill.
- All participants must sanitize hands upon entry to the building, follow the directional arrows and any direction given by staff.
- Participants can exit through the main doors or the side door only.
- Due to limitations around the number of people who can be in the Church, each student can invite 2 family members to the grad mass. We know that this will be hard for many families and so we are grateful for everyone's cooperation!
- We will need to space families across the church pews. Each student plus their two family members must sit in the assigned seating areas.
- 7A families will sit to the right; 7B families will sit to the left of the main aisle
- Afterwards, when outside in the church yard, please maintain physical distancing.
- Please do not bring food to share with others; ice cream will be distributed by specific people at specific stations.

Thank you,

CKES Staff and Administration
