Dear Parents/Guardians

**Re: School calendar survey**

The Yukon government is asking students, parents, School Councils and communities to fill out an online survey and provide their opinion on how the school calendar should be organized.

Please take the time to fill out the survey. Visit [education.gov.yk.ca/calendar-survey.html](http://education.gov.yk.ca/calendar-survey.html) to fill it out. The survey is also available in hard copy at the school to fill out.

It is important to voice your opinion so we have a school calendar that works best for the students at our school.

The survey will be open to complete from **August 22 to October 16, 2017**.

The survey results will be shared with the public in November. The feedback from the survey will be considered with feedback from the schools and School Councils to determine calendar dates for the 2018/19, 2019/20, 2020/21 and 2021/22 school calendars.

If you need help filling out the survey online, or have questions, please contact Amanda Dieckmann at [amanda.dieckmann@gov.yk.ca](mailto:amanda.dieckmann@gov.yk.ca) or 867-456-6751.

Sincerely,

Gordon Miller  
Principal  
Christ the King Elementary School
