June 18, 2021

Dear grade 3 parents/guardians,

I'm quite pleased to inform you that the new grade 3A teacher for the 2021-22 school year will be Ms. Rosemary Popadyne.

Ms. Popadyne (or Ms. Poppy, as her former students have called her), comes to us with a wealth of experience. She has taught primary grades for 25 years, and is a trained Reading Recovery teacher. Her most recent teaching position was the grade 1-2-3 teacher in Mayo. She is excited to be moving into Whitehorse to begin this next phase of her career. Ms. Poppy loves children and has said, "They light up my life."

A warm, friendly, and conscientious person, she is eager to know her new students and work as part of our CKES team.

I hope the grade 3A students will be excited to meet their new teacher on August 23<sup>rd</sup>!

Sincerely,

Jeanette Gallant

Principal,  
Christ the King Elementary School
