Dear grade 4A parents/guardians,

I am writing to share good news. We have found a wonderful new 4A teacher to fill in while Ms. Harper is away.

Beginning tomorrow, Ms. Melissa Rolling will be the lead grade 4A teacher. Ms. Rolling has taught grade 4 (in this very classroom) in the past and comes to us with experience teaching intermediate grades in both Yukon and Alberta. She will be working part-time, on Mondays, Wednesdays, and Fridays.

Tuesdays, the class will be led by Mr. Tyler White, who is already a teacher on staff here at CKES.

Thursdays, Ms. Christina Aldrey will take over as teacher. Ms. Aldrey usually works as the EA in 4A, however, she has an education degree and will ensure the students' learning is maintained over the week. A substitute EA will be called in to help the class on these days.

I realize this is a complicated solution, but I am very confident that this team of 4A teachers will provide a wonderful learning experience for your children.

If you have any questions, please do not hesitate to contact the school.

Sincerely,

Jeanette Gallant

Principal,
Christ the King Elementary School
