

## CKES Mabel's Labels Fundraiser

Please remember to support our school council fundraiser when you are needing labels for all your back to school "stuff" this summer! These labels are amazing, and work on everything your child (and you) own - from shoes to lunch containers to schools supplies to backpacks and sports gear. They are machine washable, dishwasher and microwave safe and last a really long time. You order right from the CKES Mabel's Labels website (www.mabelsfundraising.com/c/23136) and products are shipped right to your door! A portion of every label sold comes back to CKES School Council for our School Improvement Fund. Orders are automatically credited when someone uses the campaign link. Click on the pink "go shopping" button to place your order. You'll know you're in the right place by the tagline at the top of each webpage, identifying the CKES campaign by name. You will also see a confirmation of your support at the bottom of your receipt. Thanks for your support!

## RPAT Action Grant

CKES Council's application was recently approved, and we have received a Recreation and Parks Association of Yukon (RPAY) Action Grant for \$500. The money is to be used to increase opportunities for physical activity for children during the school day. The school will use the money to put on Zumba classes for all interested students next winter. Thanks to RPAY for their continued support and the opportunity to receive these grants.

## Tamelty BBQ

## The CKES Family BBQ is scheduled for Friday, June 5th -5:00 to 7:00pm

Bring the whole family out to celebrate the end of another great school year with good food, good fun \& good friends! Please remember that this is a family event and all students must be accompanied by a parent or guardian. The safety and well being of students is the responsibility of the parent or guardian during this event. Hope to see you there!

The CKES School Council is currently looking for another Council Member. If you have a sincere interest and focus on what is best for student learning in a Catholic education environment and would like to work with others to promote an effective school community, positive school climate and increase student learning - we encourage you to consider joining our School Council. We are hoping to fill the position as soon as possible.

If you're interested in serving as a Council member, learning more about the role of Council or the process to get appointed for this term, please speak with any Council member or contact the Chair via e-mail at ckescouncil@gmail.com.

## 30/30 Challenge

This January, CKES School Council challenged all classes to participate in our 30/30 Challenge. The class challenge was to complete at least 30 minutes of activity/exercise per day for 30 consecutive school days, which was inspired by the personal 30/30 Challenge created by Yukoner, Joel Macht. The Challenge was optional, and we had most classes join in the fun, with 9 out of 16 classes completing the challenge and being rewarded with a Bowling party for their class, provided by School Council. Congratulations to all who completed $30 / 30$ !
